

Hand Washbasin ED2

Front mounted – Push/fit

Art. no: ED2

EAN code: 7055570014059

Bolt fixed – Service room

Art. no: ED2B

EAN code: 7055570013953

Vandal resistant basin for wall mounting in stainless steel, brushed finish. With closed front cover for concealed in- and outlet. Supplied with integrated waste and water trap. Can be supplied with taphole on request.

Overall size: 331 x 338 x 239mm (13" x 13 1/4" x 9 1/2")

Depth: 106mm (4 1/4")

Material thickness: 1,25mm

Material: Stainless steel AISI 304

Load: Can withstand 1000N vertical load on front flange under the condition that the load-carrying wall can stand this weight.

Front mounted – Push fit

1. Fasten the top fixing bracket to the wall according to the enclosed drill template.
2. Connect water trap to the outlet in the wall with a 32mm push fit tube (not supplied.)
3. Fix the basin onto the top fixing bracket and lock it with the 2 pcs set screws to the bottom fixing which secures the basin to the wall.

Bolt fixing

1. Drill three holes for M10 bolts into the wall according to the enclosed drill template.
2. 3 pcs fixing bolts M10x30 are supplied with the product and are to be fixed to the thread holes. Then, push the bolts through the holes in the wall and lock them to the wall with the enclosed nuts.
3. Connect the water trap to the outlet.

Recommended height:

850mm from floor to the top of the product.
