

FROST

An abstract, monochromatic graphic featuring several overlapping, elongated, metallic-looking shapes that resemble architectural hardware components like door pulls or handles. The shapes are rendered with soft gradients and highlights, creating a sense of depth and three-dimensionality against a solid black background. The overall composition is dynamic and modern.

ARCHITECTURAL HARDWARE

ARCHITECTURAL HARDWARE

FROST A WORK IN PROGRESS

Our vision and focus is to provide a broad platform of architectural elements that both inspire and provide comprehensive design and application solutions.

Our Danish culture of progressive contemporary design is conveyed through our products in a manner that blends design with function, creativity with solutions. Frost embraces the concept that Form is nothing without Function. Emphasis has been also placed on material, quality, and service.

THE STORY IS BEING TOLD AND YOU ARE PART OF IT

Frost has been the recipient of International Design Awards and have realized that our company is a Work In Progress that we attribute to the ongoing dialogue with architects worldwide that have been embraced as part of our company's culture. Frost is more than a company: it is a vision and quest for excellence.

DESIGN AND BUSINESS

WITH A PASSION

We are thrilled to introduce you to the latest additions to our current collection - our new range of ARCHITECTURAL HARDWARE.

With the emphasis on versatile design, clean lines and endless combination possibilities, this new concept creates a modern and yet timeless range of hardware such as door handles, door knobs, window handles and door stops.

We believe they give building architects and end-users a whole new set of tools to help achieve perfection in the important details of a building or a home by providing the finishing touches and functionality needed in our modern world.

We have already received national and international awards for our cutting-edge design and for being one of the most successful companies in our line of business. We are delighted and grateful that you, our valued customer, have chosen to be a part of that exciting story.

With these products, we hope that we continue to demonstrate our success as one of Denmark's fastest growing companies.

DOOR HANDLES AND KNOBS

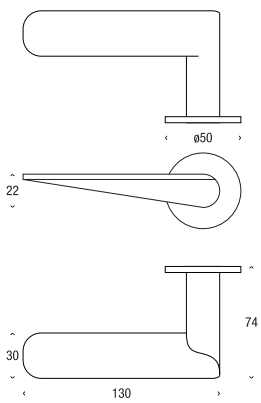

THE NEW HB100 SERIES

Two new door lever handles have been developed by Frost in collaboration with Danish design firm Bonnellycke MDD. This new architectural door hardware program embraces progressive design, material, function with a tactile quality.

A1007B - brushed

A1007P - polished

HB101 DOOR

Material: Stainless Steel in brushed or polished.

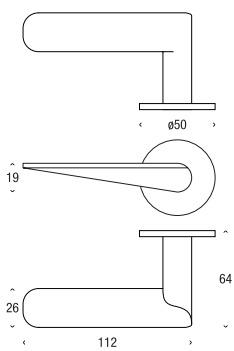

What is in the box: A pair of lever handles 30 x 22 mm with cover roses attached. Ø50 x 4mm round rose covers with concealed screws.

Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

Design: Bønnelycke mdd.

A1007SB - brushed

A1007SP - polished

HB101 DOOR SMALL

Material: Stainless steel in brushed or polished.

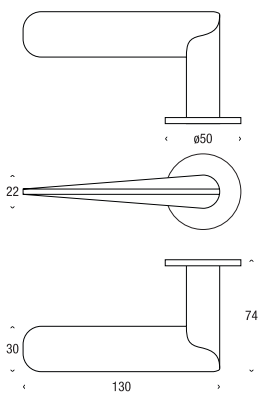

What is in the box: A pair of lever handles 26 x 19 mm with cover roses attached. Ø50 x 4 mm round rose covers with concealed screws.

Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

Design: Bønnelycke mdd.

A1008B - brushed

A1008P - polished

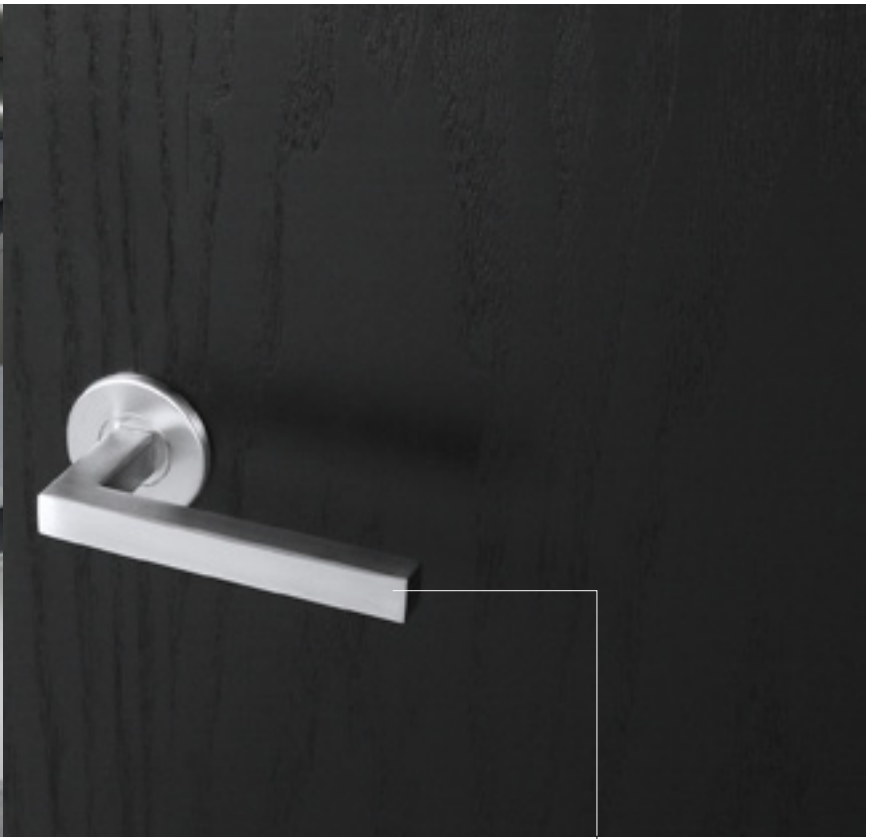

HB102 DOOR

Material: Stainless Steel in brushed or polished.

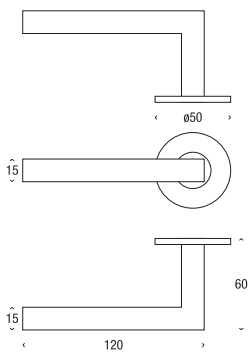

What is in the box: A pair of lever handles 30 x 22 mm with cover roses attached. Ø50 x 4 mm round rose covers with concealed screws.

Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

Design: Bønnelycke mdd.

A1001B - brushed

A1001P - polished

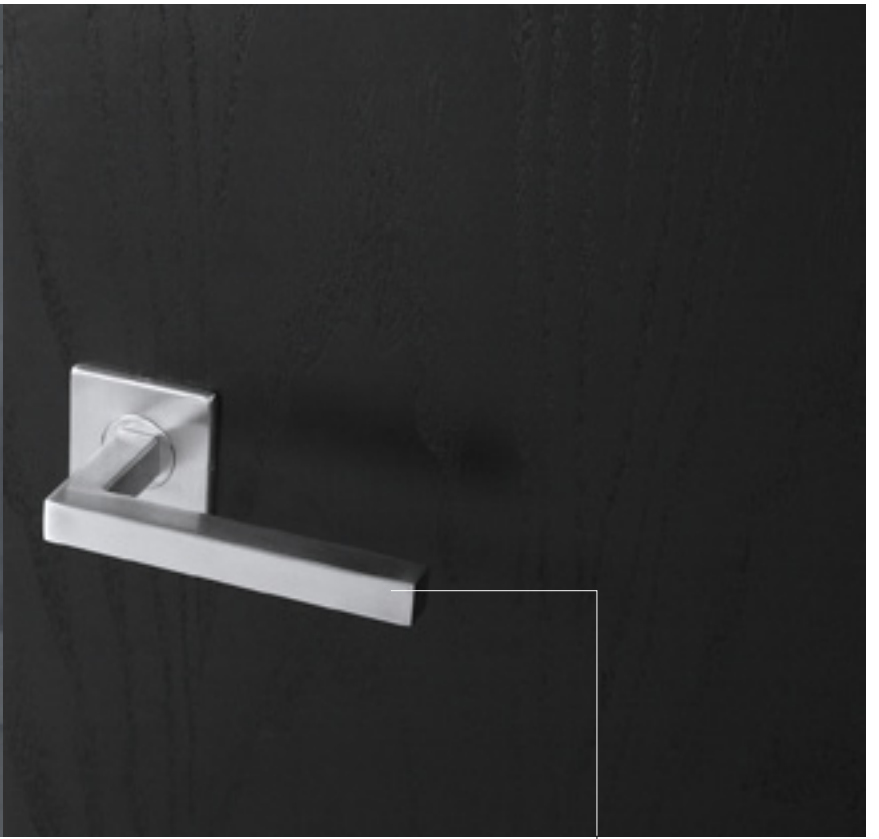

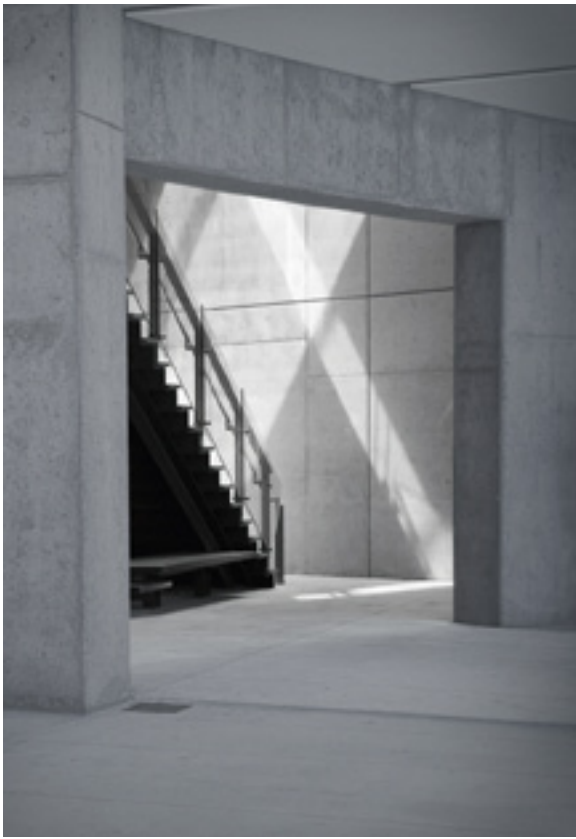

ELEMENT 1001

Material: Stainless steel in brushed or polished.

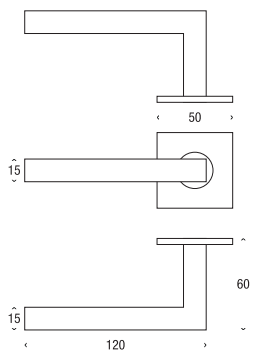

What is in the box: A pair of lever handles 15 x 15 mm with cover roses attached. Ø50 x 4 mm round rose covers with concealed screws.

Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

Design: Busk+Herzog

A1001BS - brushed

A1001PS - polished

KUBE 1001

Material: Stainless steel in brushed or polished.

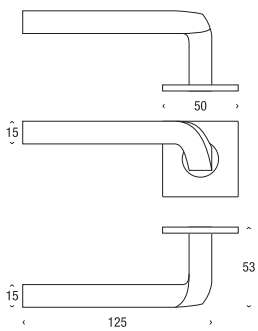

What is in the box: A pair of lever handles 15 x 15 mm with cover roses attached. 50 x 50 x 4 mm square rose covers with concealed screws.

Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

Design: Busk+Herzog

A1002BS - brushed

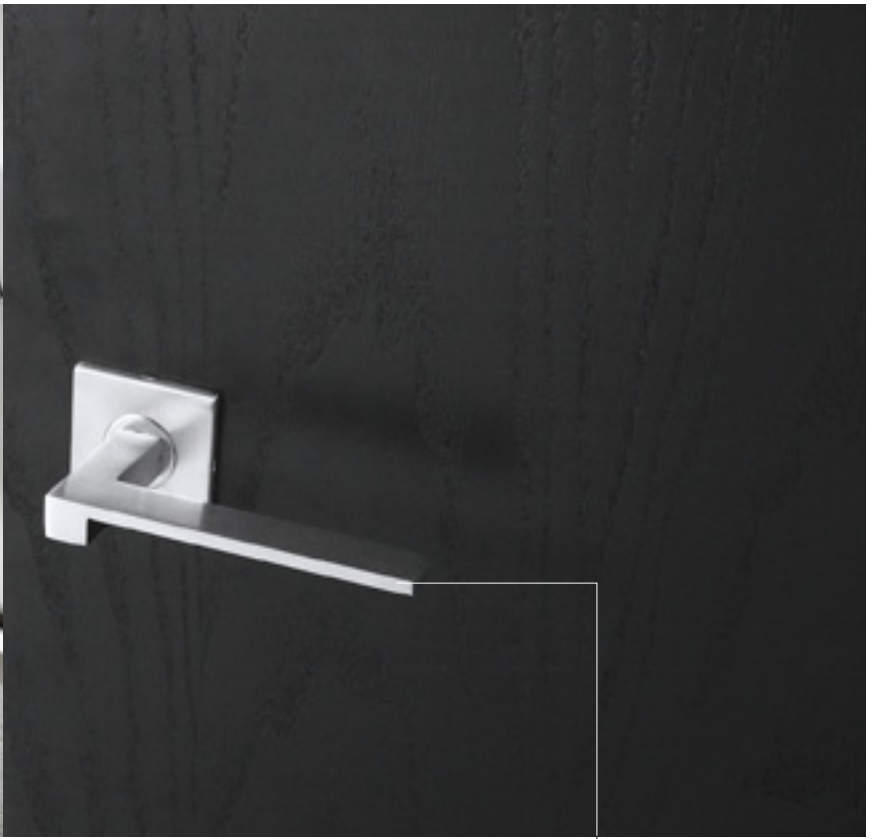

A1002PS - polished

KUBE 1002

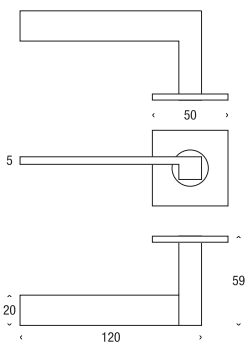

Material: Stainless steel in brushed or polished.

What is in the box: A pair of cranked lever handles 15 x 15 mm with cover roses attached. 50 x 50 x 4 mm square rose covers with concealed screws. Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

Design: Busk+Hertzog

A1003BS - brushed

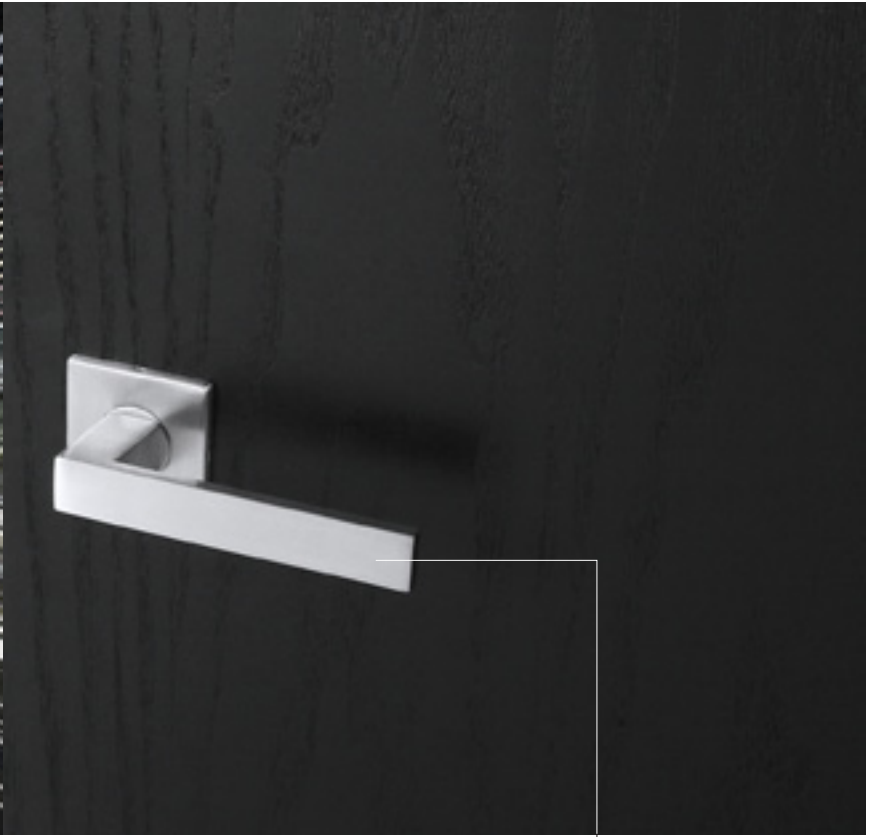

A1003PS - polished

KUBE 1003

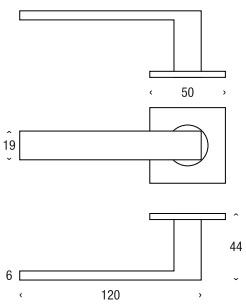

Material: Stainless steel in brushed or polished.

What is in the box: A pair of lever handles 15 x 5 x 20 mm with cover roses attached. 50 x 50 x 4 mm square rose covers with concealed screws. Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

Design: Busk+Hertzog

A1004BS - brushed

A1004PS - polished

KUBE 1004

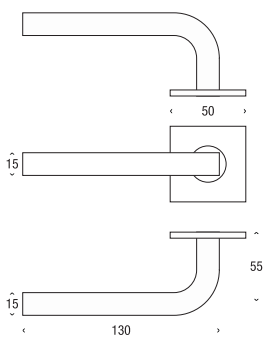

Material: Stainless steel in brushed or polished.

What is in the box: A pair of lever handles 19 x 6 mm with cover roses attached. 50 x 50 x 4 mm square rose covers with concealed screws. Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

Design: Busk+Hertzog

A1005BS - brushed

A1005PS - polished

KUBE 1005

Material: Stainless steel in brushed or polished.

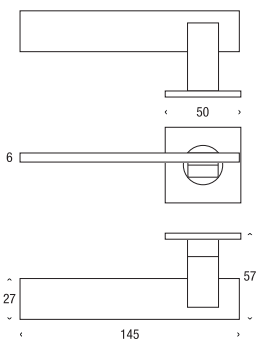

What is in the box: A pair of lever handles 15 x 15 mm with cover roses attached. 50 x 50 x 4 mm square rose covers with concealed screws.

Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

Design: Busk+Hertzog

A1006BS - brushed

A1006PS - polished

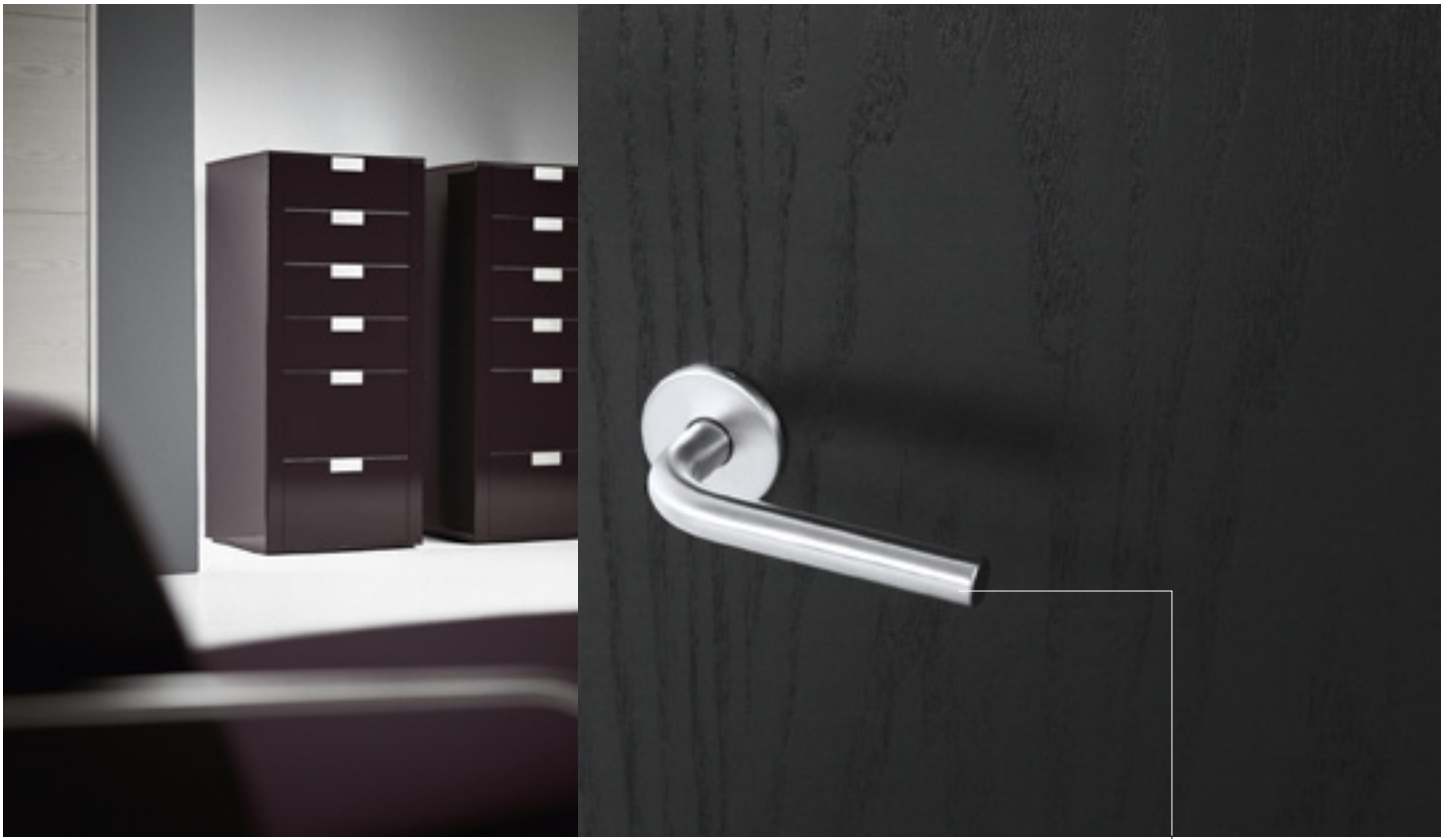

KUBE 1006

Material: Stainless steel in brushed or polished.

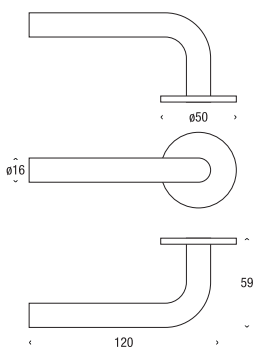

What is in the box: A pair of lever handles 27 x 5 mm with cover roses attached. 50 x 50 x 4 mm square rose covers with concealed screws.

Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

Design: Busk+Hertzog

A1051B - brushed

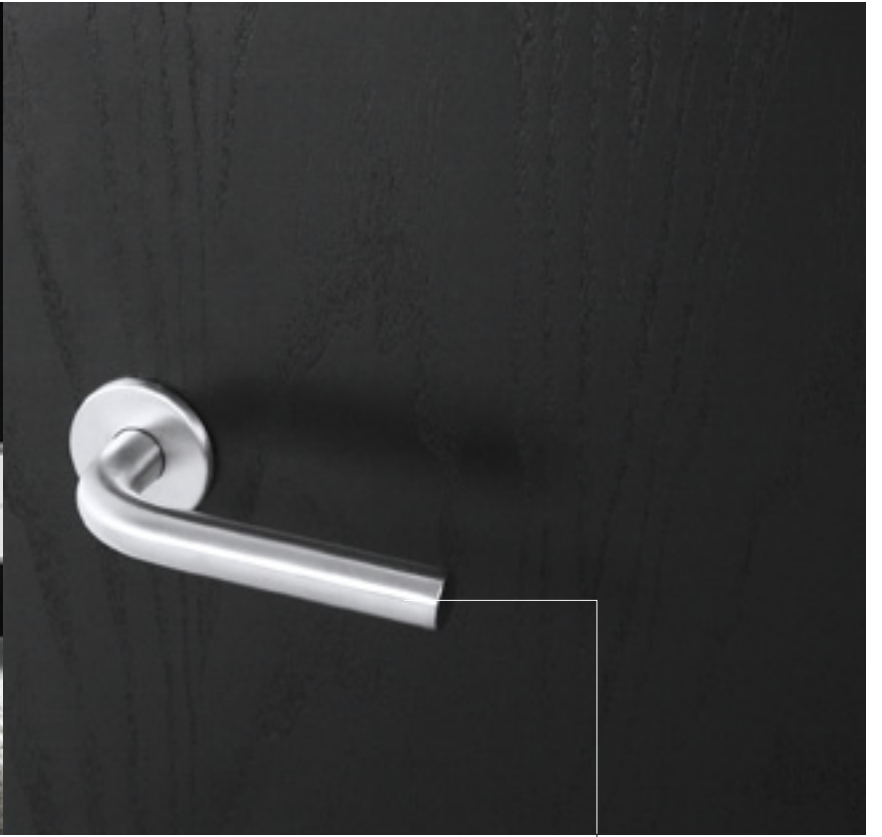

A1051P - polished

TUBE 1051

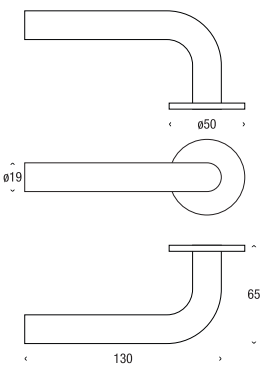

Material: Stainless steel in brushed or polished.

What is in the box: A pair of lever handles $\varnothing 16$ mm with cover roses attached. $\varnothing 50 \times 4$ mm round rose covers with concealed screws.

Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

A1052B - brushed

A1052P - polished

TUBE 1052

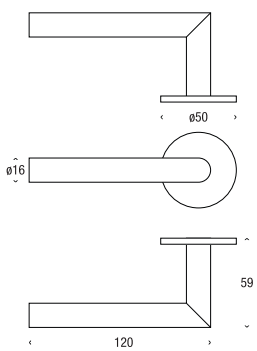

Material: Stainless steel in brushed or polished.

What is in the box: A pair of lever handles Ø19 mm with cover roses attached. Ø50 x 4 mm round rose covers with concealed screws.

Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

A1053B - brushed

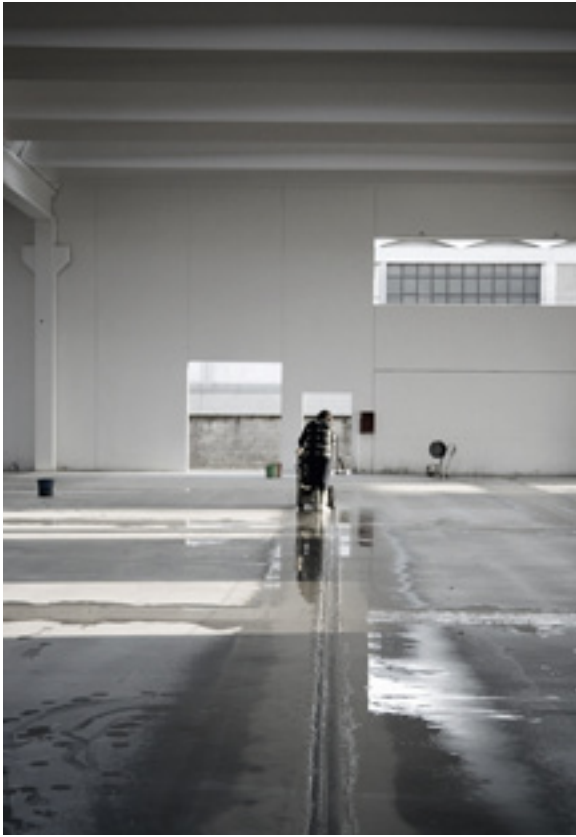

A1053P - polished

ELEMENT 1053

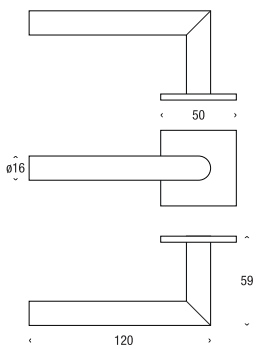

Material: Stainless steel in brushed or polished.

What is in the box: A pair of lever handles $\varnothing 16$ mm with cover roses attached. $\varnothing 50 \times 4$ mm round rose covers with concealed screws.

Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

A1053BS - brushed

A1053PS - polished

KUBE 1053

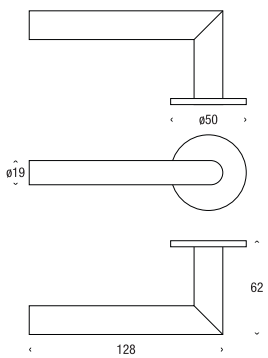

Material: Stainless steel in brushed or polished.

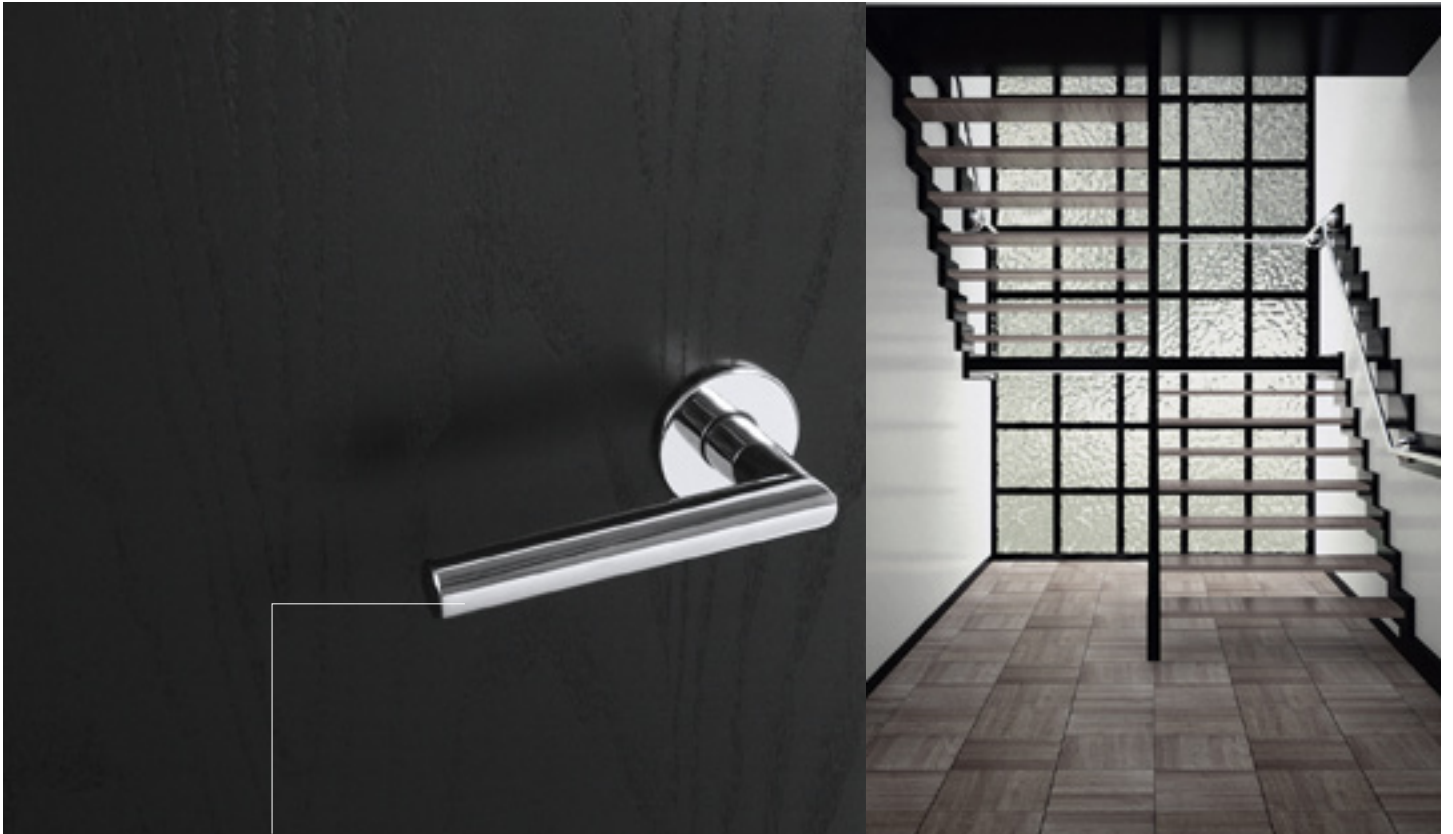

What is in the box: A pair of lever handles Ø16 mm with cover roses attached. 50 x 50 x 4 mm square rose covers with concealed screws.

Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

A1054B - brushed

A1054P - polished

ELEMENT 1054

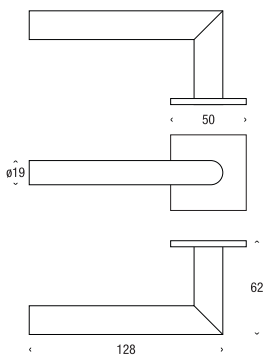

Material: Stainless steel in brushed or polished.

What is in the box: A pair of lever handles $\varnothing 19$ mm with cover roses attached. $\varnothing 50 \times 4$ mm round rose covers with concealed screws.

Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

A1054BS - brushed

A1054PS - polished

KUBE 1054

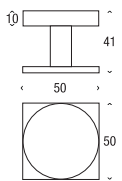

Material: Stainless steel in brushed or polished.

What is in the box: A pair of lever handles Ø19 mm with cover roses attached. 50 x 50 x 4 mm square rose covers with concealed screws.

Machine screws (torx 15) M4 x 62 mm + M4 x 35mm break-off. Wood screws 4,5 x 16 mm. Plastic tube plug. Allen Key 2,5 mm. Rose key. Bushes.

A6001BS - brushed

A6001PS - polished

DOOR KNOB KUBE 6001 (NOT TURNABLE)

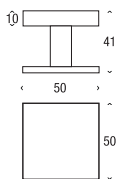

Material: Stainless steel in brushed or polished.

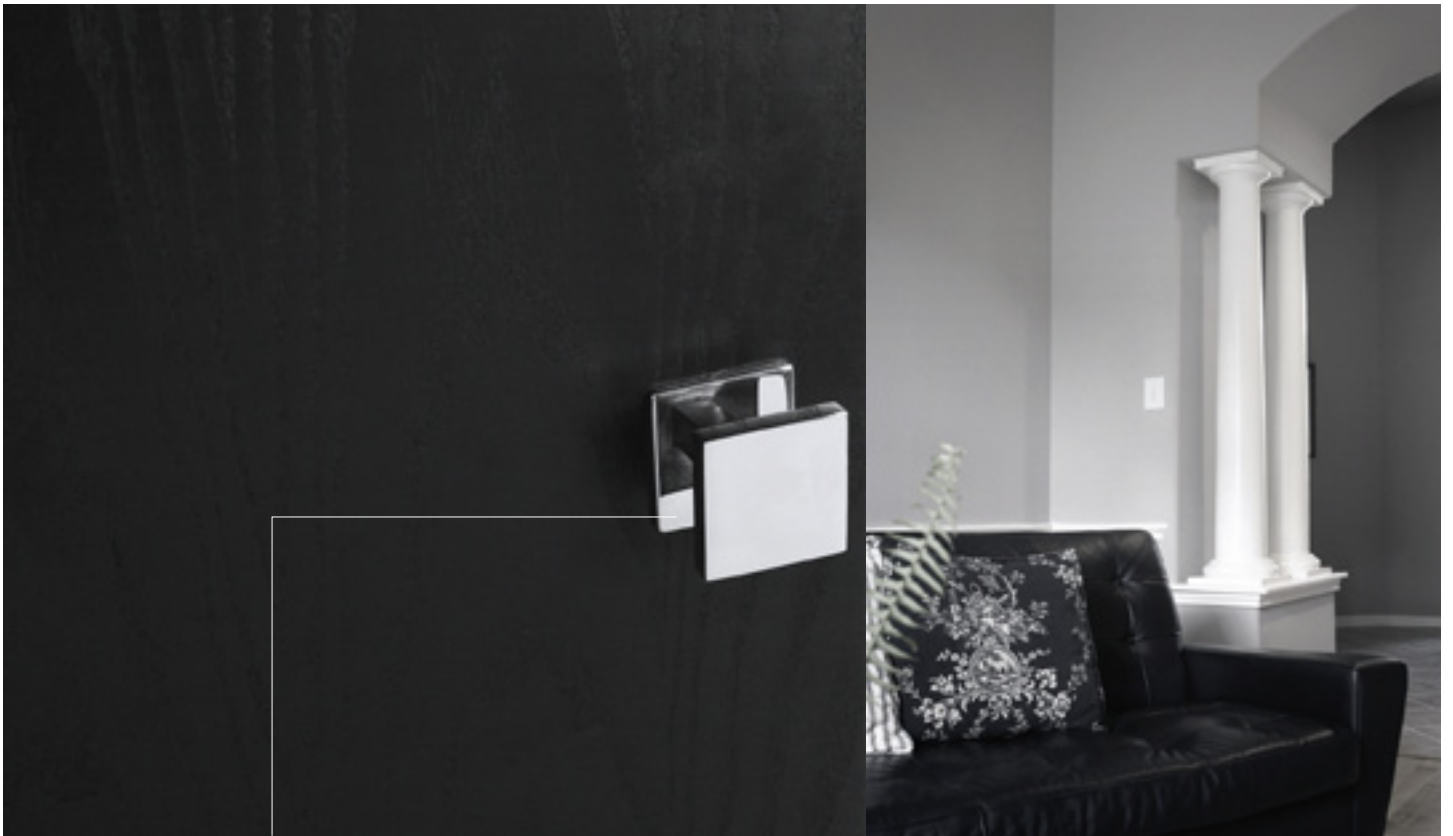

What is in the box: Door knob $\varnothing 50 \times 10$ mm with rose attached. $50 \times 50 \times 4$ mm square rose cover with concealed screws. (Screw holes CC 38 mm).

Design: Busk+Hertzog

A6002BS - brushed

A6002PS - polished

DOOR KNOB KUBE 6002 (NOT TURNABLE)

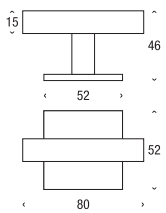

Material: Stainless steel in brushed or polished.

What is in the box: Door knob 50 x 50 x 10 mm with rose attached. 50 x 50 x 4 mm square rose cover with concealed screws. (Screw holes CC 38 mm).

Design: Busk+Hertzog

A6003BS - brushed

A6003PS - polished

DOOR KNOB KUBE 6003 (NOT TURNABLE)

Material: Stainless steel in brushed or polished.

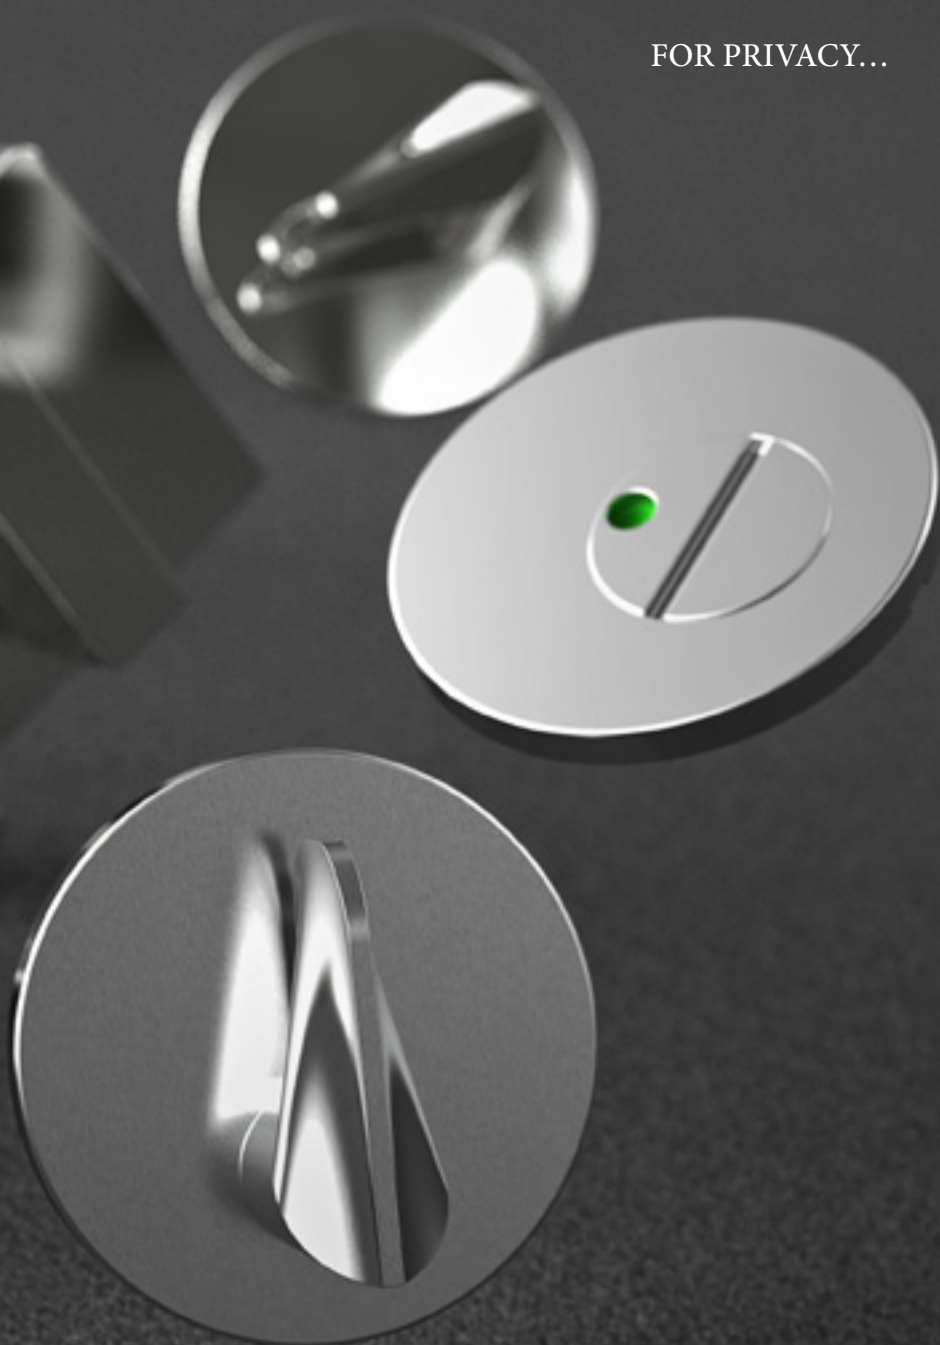

What is in the box: Door knob 15 x 15 x 80 mm with rose attached. 50 x 50 x 4 mm square rose cover with concealed screws. (Screw holes CC 38 mm).

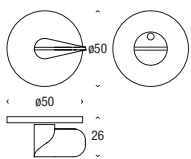

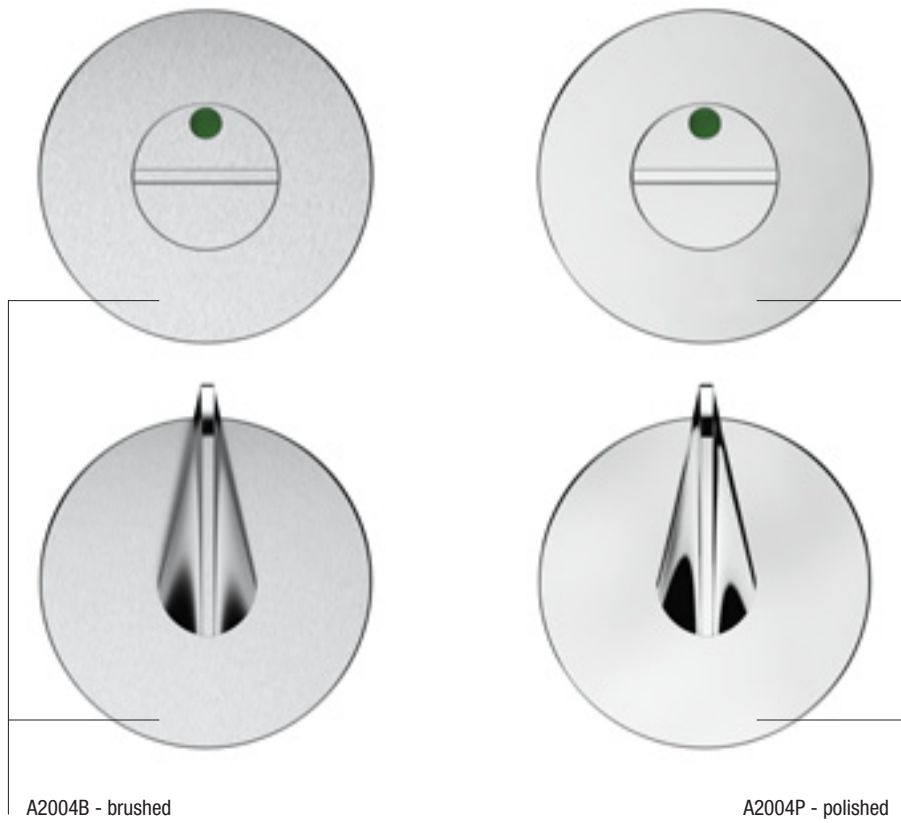

Design: Busk+Hertzog

ESCUTCHEONS

FOR PRIVACY...

HB202

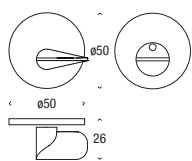

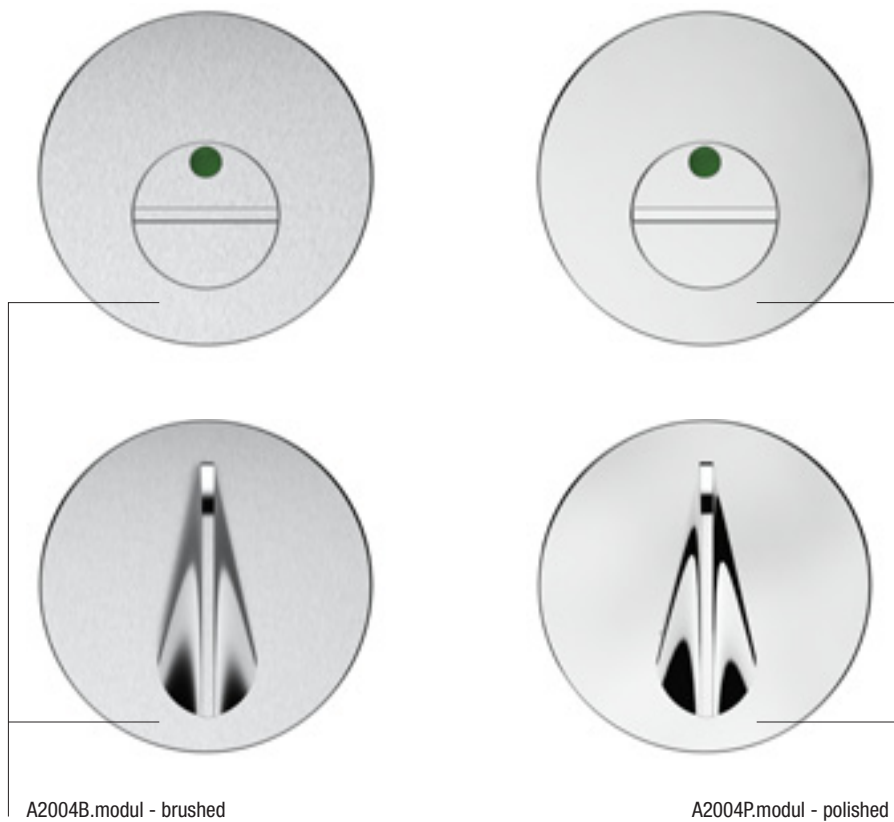

Material: Stainless steel in brushed or polished.

What is in the box: Escutcheon set with roses attached. Ø50 x 4 mm round rose covers with concealed screws.

Turn and red / green indicator sides. Machine screws (torx 15) M4 x 62 + M4 x 35 mm break-off. Wood screws 4,5 x 16 mm. Bushes.

Plastic tube plug. Allen key 2,5 mm. Spindle 5 x 5 x 53 mm.

Design: Bønnelycke mdd.

HB202 MODUL

Material: Stainless steel in brushed or polished.

What is in the box: Escutcheon set with roses attached. Ø50 x 4 mm round rose covers with concealed screws.

Turn and red / green indicator sides. Machine screws (torx 15) M4 x 62 + M4 x 35 mm break-off. Wood screws 4,5 x 16 mm. Bushes.

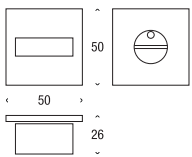

Plastic tube plug. Allen key 2,5 mm. Spindle 5 x 5 x 53 mm.

Design: Bønnelycke mdd.

Material: Stainless steel in brushed or polished.

What is in the box: Door bell with 50 x 50 x 4 mm square cover rose with concealed screws. Wood screws and plugs.

Material: Busk+Hertzog.

DESIGNERS

BUSK+HERTZOG

"Behind every product lies a story. Sometimes it's obvious and can be read in the visual appearance of the product, and sometimes it is subtle and to be found in the detail. But the story is always there" Flemming Busk and Stephan Hertzog established their successful studio in Denmark in 2000. Today, their recognition goes far beyond Scandinavian borders.

Their studio has won more than 20 of the most prestigious international design awards, including Red Dot Awards, IF Awards and Good Design Awards, making them the most award-winning Danish designers of their generation. Several of their designs are part of permanent exhibitions at design museums around the world. busk+hertzog's design characteristics are sculptural, clean lines and a simple expression with minimal embellishment. Any decoration usually serves a function or is integral to the furniture. They often get their inspiration from shapes and lines found in nature.

When Flemming Busk and Stephan Hertzog established their design studio, it was with a very clear vision of being not only innovative and professional but also with the aim of launching a new generation of Danish Designers. Their successful revitalizing of a Danish Design industry that was mainly based on designs from the 1950's was recognized in 2008 by the Danish furniture industry who awarded them with their oldest and finest distinction – The Industry's Furniture Award. This was previously given to, among others, Arne Jacobsen, Poul Kjærholm, Verner Panton and Jørn Utzon.

Their products have been used in some of the world's most prestigious building projects - perhaps not surprising given that Stephan B. Hertzog and Flemming Busk always have had an emphasis on their designs being global. The design duo is now based in London.

BØNNELYCKE MDD

Bønnelycke MDD was established in 1988. Driven by an unsurpressable urge and desire to work constructively and innovatively, Henrik Bønnelycke started his career with the design of lamps, furniture and interior decorating. Quickly, he became known as an unconventional architect with no whims and fancies. His ability to challenge and optimize the manufacturing process itself is to be found in Henrik's original professional background as a toolmaker.

"It could be fun" and "of course it can be done" – are phrases often used in his company.

This has resulted in a comprehensive portfolio of projects and designs - spectacle frame design, racing boats, lighting, furniture and buildings to name a few - several of them award winning and patented designs.

Bønnelycke MDD is truly a multi disciplinary design company with both national and international experience.

They are perfectionists with professional curiosity, and provide a wide variety of design disciplines encompassing architecture and interior design, furniture design and product design to communication assignments, graphic design and web design.

At Bønnelycke MDD they do not design for the sake of it. They believe that design does not hold any values per se. To Bønnelycke, the value of a design emerges when a product has relevance and when it is purchased, used and appreciated - this is why they design.

In Bønnelycke's own words: "We are committed to providing our clients with what they pay for – which is their own design!"
