“Guaranteed the most complete minikitchen.”

We think a kitchen should have everything, no matter how small the kitchen is. For you who want to have it all, but are short of space, we have developed Trend, the smallest, most complete minikitchen, with all practical facilities and details. Trend is made of double white steel panels, foamed inside. All drawers are on metal slide-rails, doors have magnetic locks and handles are of steel. Trend minikitchens are delivered with a 110 L*** refrigerator, with ice box. Wastes and watertrap included. Trend is available in many different models and can be delivered with dishwasher or microwave. Available sizes: 90, 100 and 120 cm.
