**ONLY  
PRETTIER**

FRENCH TAPWARE  
FOR INTENSIVE USE AND  
CHALLENGING ENVIRONMENTS

# PRESTO NEO®

## NEW WASHBASIN SELF-CLOSING TAP

### BENEFITS

**Vandal-proof:**

its robust fastening system and antirotation button prevent any risk of premature wear.

**NF-certified products:**

500 000 cycles.

**Flexibility:**

easy to install thanks to deck-mounted versions (single and mixer taps) and 3 body lengths for wall-mounted applications.

**Water savings:**

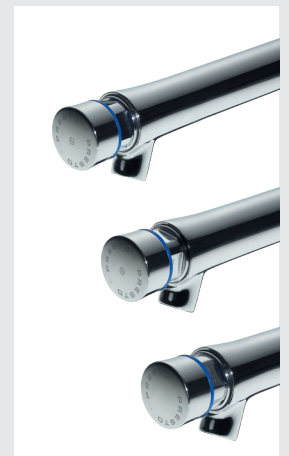

the unique PRESTO patent guarantees constant timed-flow.

**Intuitive understanding:**

colored marker.

**Contemporary design:**

choice of chrome-plated brass or stainless steel finish.

STAINLESS STEEL

Single self-closing deck-mounted tap

### ECOLABELS
